### **MTS Systems to Present at Wells Fargo Industrials Conference**

Eden Prairie, MN – April 27, 2017 – MTS Systems Corporation (NASDAQ: MTSC), a leading global supplier of high-performance test systems and sensors, today announced that Dr. Jeffrey Graves, President and CEO, will make a presentation to the investment community at the 2017 Wells Fargo Industrials Conference on Wednesday, May 10, at 10:00 a.m. ET, at the New York Palace Hotel in New York City. Dr. Graves will be accompanied by Brian Ross, Investor Relations.

A live audio webcast of the presentation will be available by accessing the investor relations section of the Company's website at <http://investor.mts.com/phoenix.zhtml?c=68100&p=irol-presentations> and clicking on the webcast icon. The audio presentation will be archived on the website beginning May 11 for 90 days.

#### **About MTS Systems Corporation**

MTS Systems Corporation's testing hardware, software and services solutions help customers accelerate and improve their design, development and manufacturing processes and are used for determining the mechanical behavior of materials, products and structures. MTS's high-performance sensors provide controls for a variety of applications measuring motion, pressure, position, force and sound. MTS had 3,500 employees as of October 1, 2016 and revenue of \$650 million for the fiscal year ended October 1, 2016. Additional information on MTS can be found at [www.mts.com](http://www.mts.com).
