MTS celebrates International Women's Day, supporting our values of Respect and Innovation & Passion. At MTS, we encourage diversity and inclusion to further drive innovation in the work we do each day. The MTS resource group CREW, Cultivating, Recognizing, and Engaging Women, creates a community for women to share ideas, network, and further develop their capabilities as future leaders. Join MTS as we highlight the importance and value of gender equality in the workplace.

#EachforEqual  #IWD2020  #InternationalWomensDay”
